

ESTATE

128

The Estate

Estate 128, Noida, is designed with utmost attention to detail, evidently visible in its contemporary architecture and design philosophy, and is crafted with the well-being of its residents in mind. From large expansive decks for a bespoke outdoor experience, to amenities created for movement and interaction, the development curates an experience of holistic wellness across 10 acres/40468.6 sq. m. With over 80% open spaces in the midst of the bustling cityscape, it invites you to embark on a journey of well-being like no other.

Max Estates Limited

Max Estates is the real estate development arm of Max Group. Established in 2016, Max Estates aspires to build sustainable experiences in Delhi-NCR, with a focus on well-being. As a progressive developer, we believe in breaking away from the conventional norms, and bringing agility into how we build.

With careful planning and conscious effort, we bring alive spaces that foster collaboration, innovation and community. Spaces that are not just functional and aesthetically pleasing, but environmentally sustainable and designed to promote the holistic well-being of the people living in them.

Our current and planned developments are diversified across various asset classes and key strategic locations across Delhi-NCR. In our constant pursuit of excellence, Max Estates is emerging as the most preferred brand in real estate in the Delhi-NCR region.

Our Philosophy

The well-being of all our stakeholders is at the core of our operating philosophy. Our focus on well-being permeates the entire process, from design to execution, and operations, leading to an unparalleled experience. Our developments personify our well-being orientation and bring our philosophies to life.

Guided by our philosophy of *WorkWell* and *LiveWell*, we aspire to create differentiated working and living experiences, in the commercial and residential segments, respectively.

We ensure this by moving beyond the conventional separation of work, life, and well-being, and paying attention to the entire spectrum of wellness across physical, emotional, social, and environmental aspects.

Sustainability

Estate 128 embodies unwavering sustainability, meticulously designed with a resolute commitment to eco-friendliness. Our construction is founded on stone, a symbol of both elegance and our dedication to recyclable, sustainable materials. We prioritize resource conservation, leaving the land's topsoil untouched, recycling during construction, and efficiently managing waste.

Monitoring metering for water and electricity, along with water-saving fixtures, further supports our environmentally responsible mission. Estate 128 is not just a development; it's a testament to our enduring dedication to sustainable living. Every element, from stone to tree, embodies our environmental ethos.

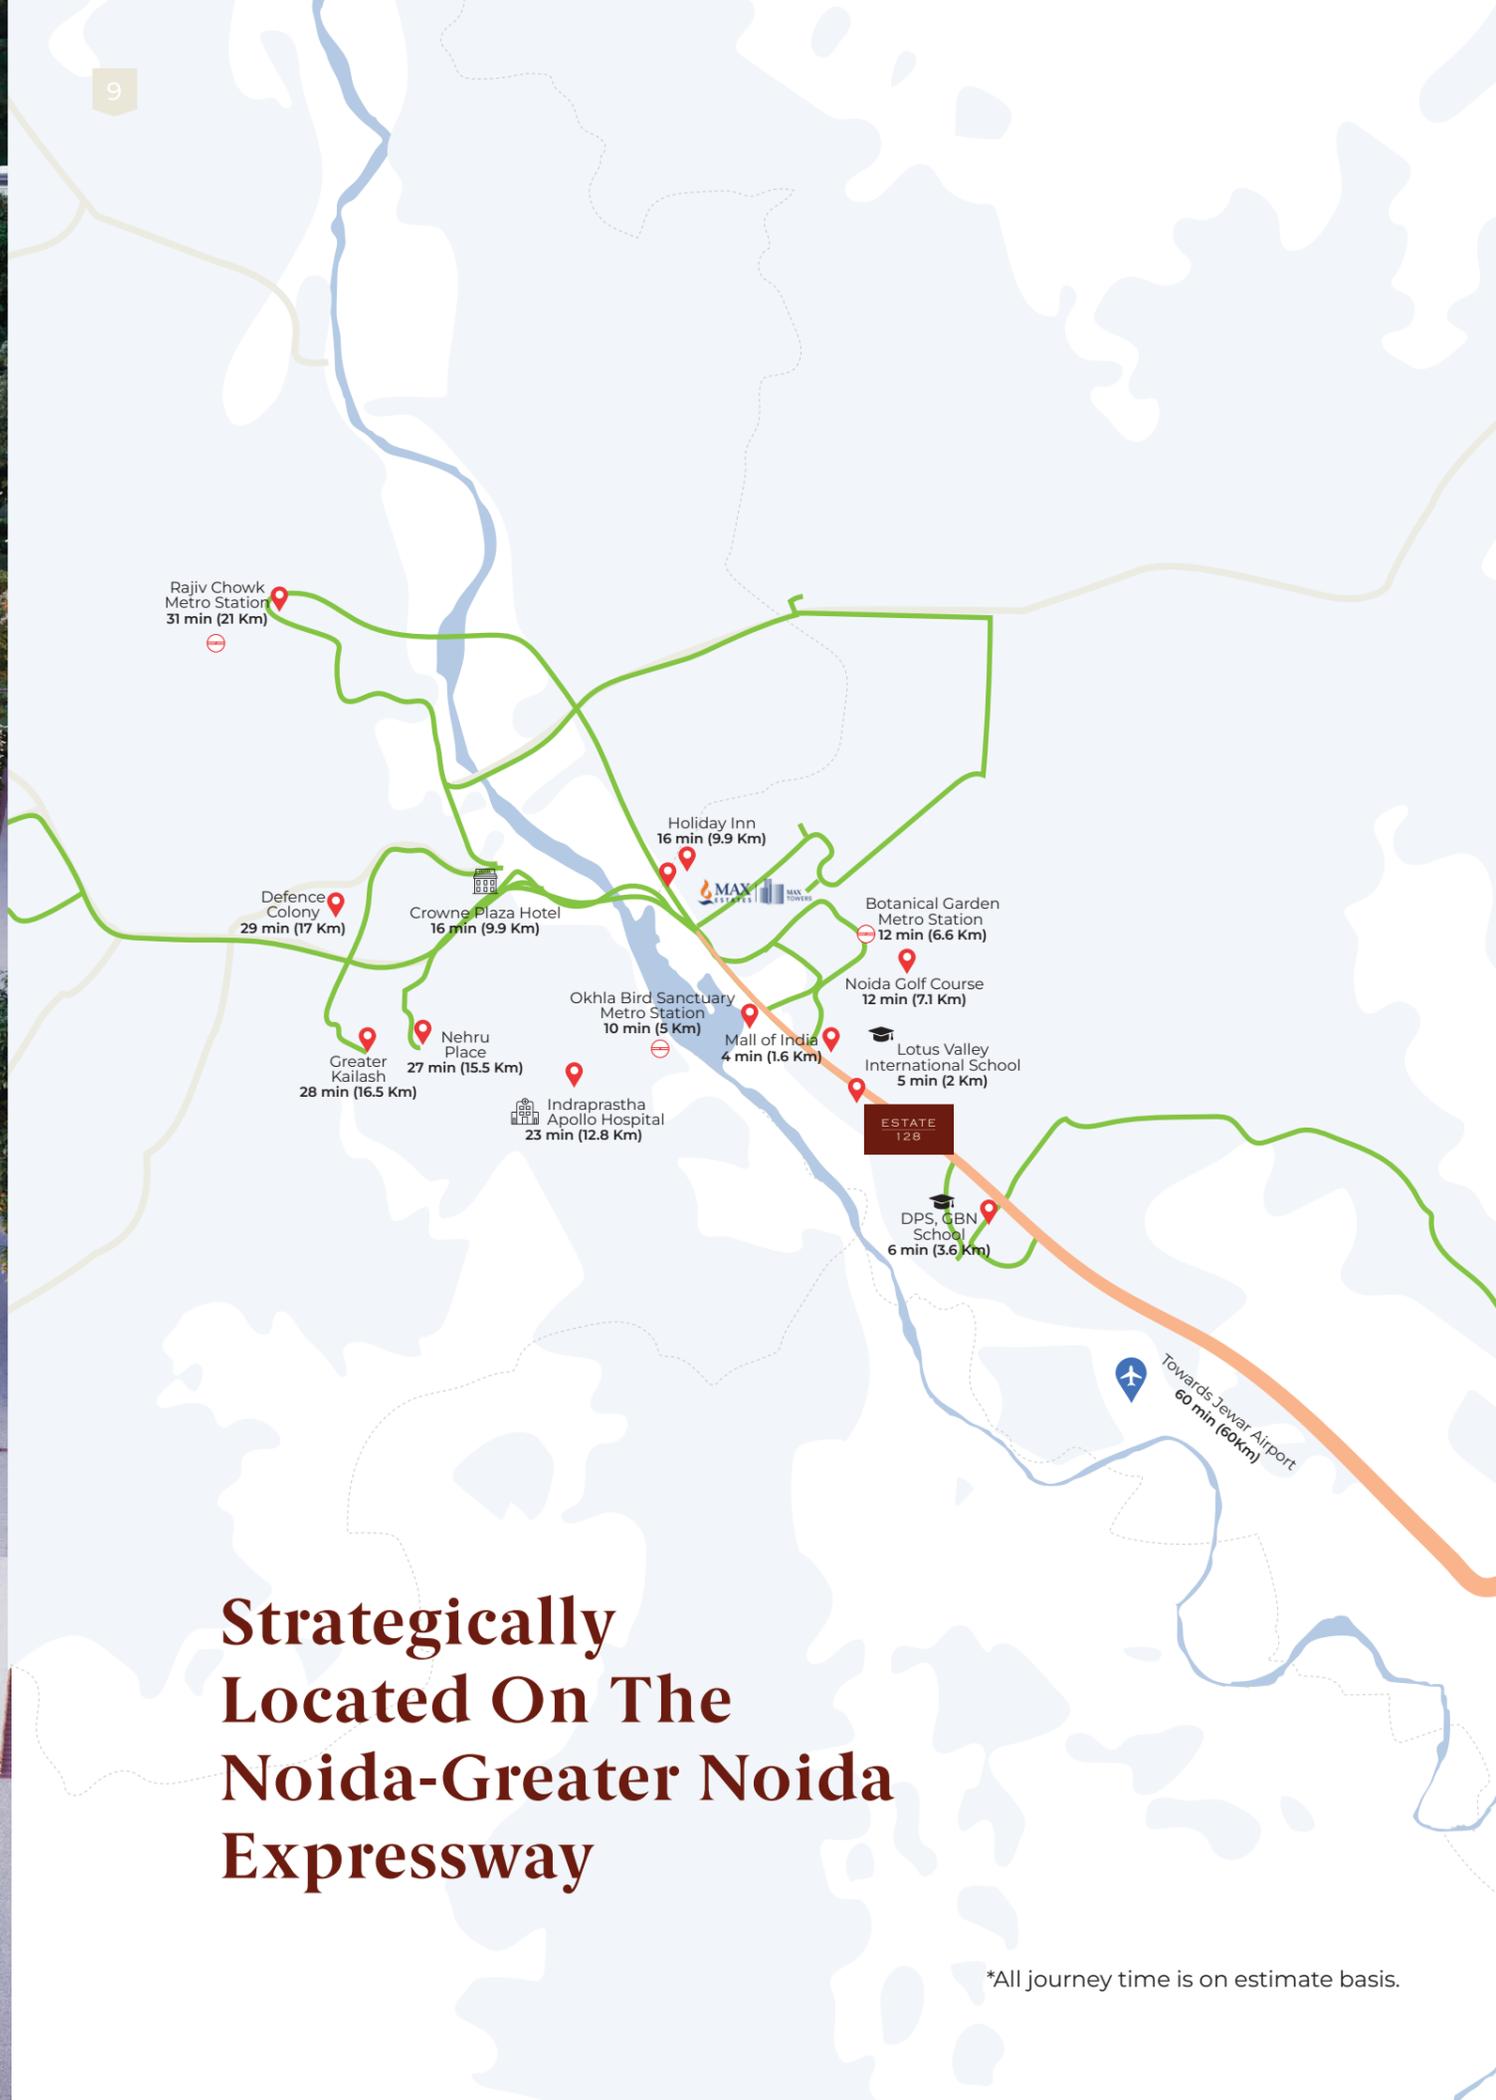

Welcome to a world where sustainability harmonizes with sophistication.

Estate 128, our first LiveWell experience in NCR, is also IGBC Platinum Pre Certified. As a progressive real estate player, we want to make a positive contribution to the environment. We have consciously made choices that minimize the carbon footprint during the lifetime of our assets.

ARTISTIC RENDERING

Strategically Located On The Noida-Greater Noida Expressway

*All journey time is on estimate basis.

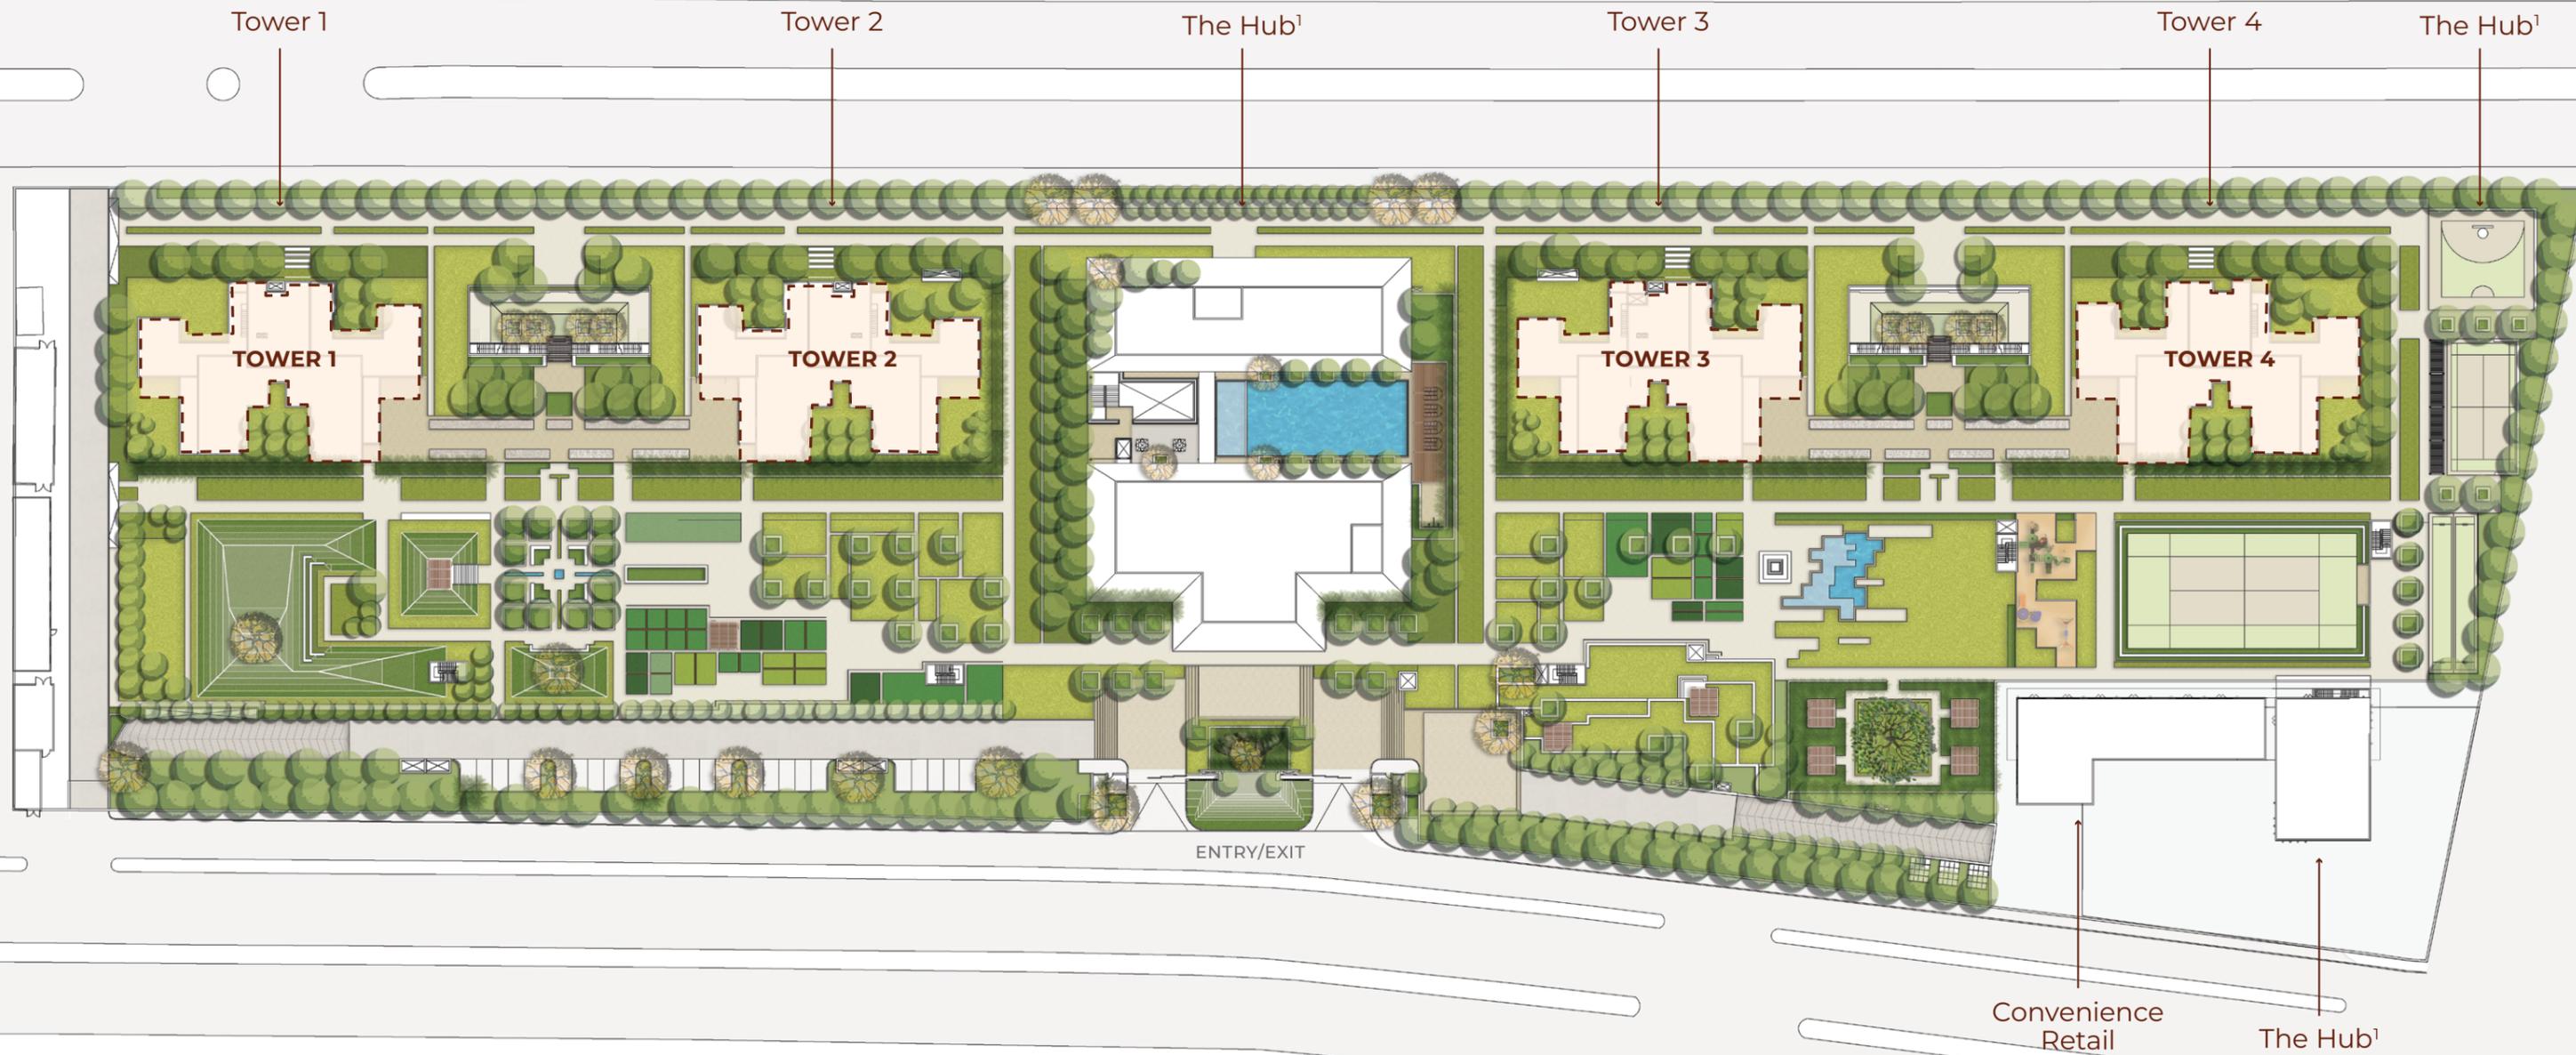

A Coveted Location

Estate 128 is strategically located on the Noida-Greater Noida Expressway, in Sector 128, Noida. Surrounded by a green belt separating the expressway and 6-lane service roads, Estate 128 strikes a great balance between connectivity and aesthetics. Noida has emerged as a premier hub in the National Capital Region with well developed infrastructure including roads, metro lines, upcoming Jewar Airport, film city, schools, hotels, hospitals and more.

Estate 128, located on Noida's most prominent growth axis, is well connected to key social and commercial hubs across Delhi-NCR, making it a comfortable abode.

**Designed For You
To LiveWell**

Minimal Vehicular Circulation on Surface

With all vehicular drop-offs happening at the lower ground level, the Project has minimal vehicular circulation on surface, ensuring a healthy, commotion-free environment for residents.

Landscape Story

Estate 128 features a strikingly linear design, an oasis of calm amidst chaos, where nature takes the spotlight. The towering structures frame uninterrupted views of lush green landscapes. Its brilliance lies in expert site planning, an ode to stylizing nature through an orthogonal grid and clean lines.

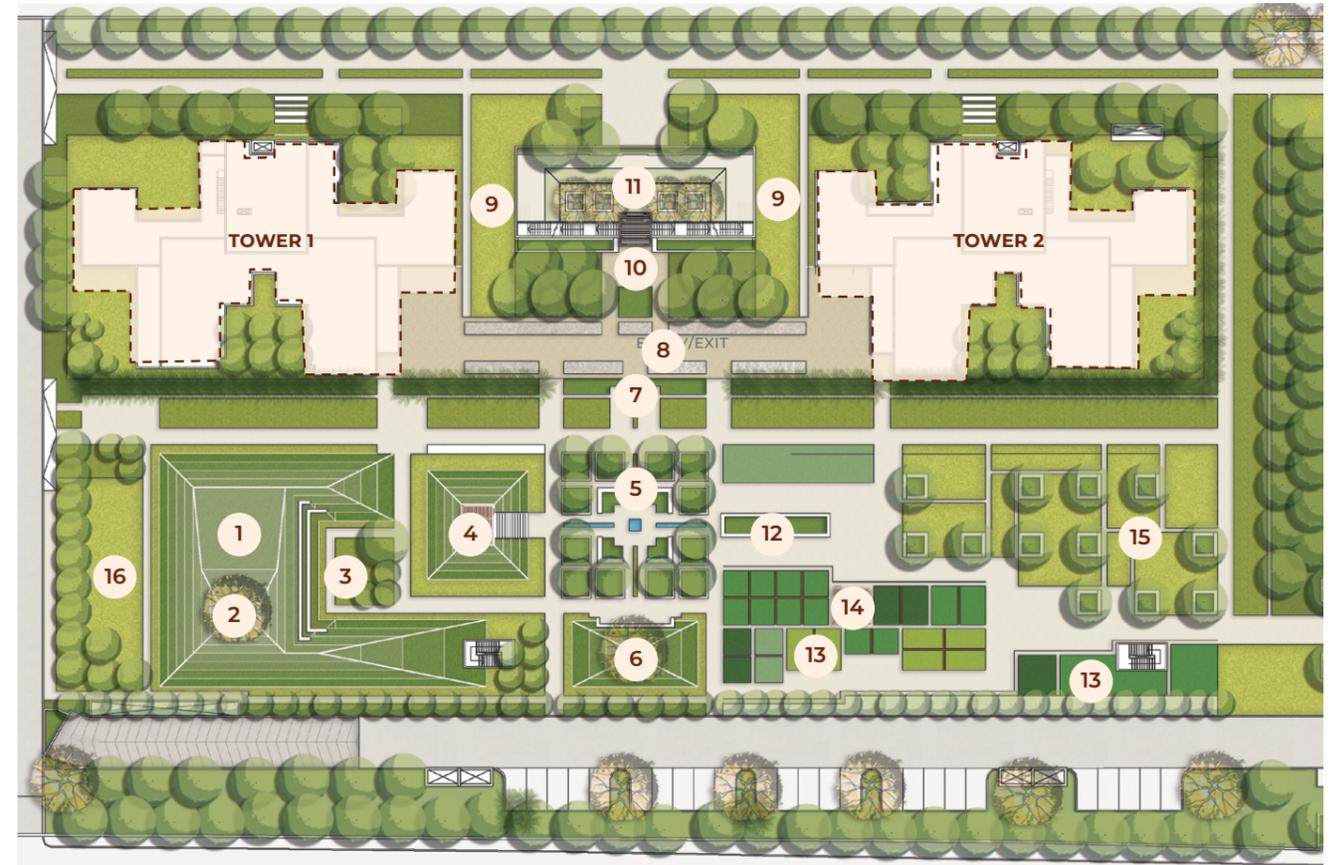

The landscape personifies Kalidas' Meghdootam with its harmonious amalgamation of mountains, orchards, and highlands.

It has been skillfully crafted to mirror the course of a river through diverse terrains and mimics the adaptability of the structural design.

Central Landscape Is Designed With
Orchards And Farmlands Connecting
Walkways From Towers And The Hub

An aerial architectural rendering of a courtyard and walkway. The central courtyard is a rectangular area with a wooden deck and a central white square. It is surrounded by lush greenery, including large trees and a row of potted plants. To the right, a wide walkway with a brick border and a slatted metal screen runs parallel to the courtyard. The walkway is flanked by palm trees and various planters containing white and purple flowers. Further right, there are more trees, a small stream, and a paved area with a pink flower bed. The overall scene is a detailed and vibrant representation of a modern outdoor space.

Habitat For Humanity

The dedication to community welfare remains unwavering at Estate 128. In the aftermath of the global pandemic, the importance of extending a helping hand has been highlighted profoundly. It paved the way for our contribution to "Habitat for Humanity", a renowned nonprofit organization ardently devoted to community betterment.

This association materializes Max Group's initiative to positively impact secure housing availability for marginalized families in Rewari, one of the districts in National Capital Region (NCR). We believe in complementary growth for those in need as we help elevate the quality of your life and bring in considerable and transformative change towards a healthier living environment.
